

## FOR IMMEDIATE RELEASE

### The Jenkins Family Nature Preserve Hosts “Grow With Us” Earth Day Celebration in Lincoln, Georgia

**Lincoln, GA – April 25, 2026** – The Jenkins Family Nature Preserve invites the community to celebrate Earth Day 2026 at its annual outdoor celebration on **Saturday, April 25th, from 12:00 PM to 5:00 PM** at the Preserve in **Lincoln, Georgia**.

Centered around this year’s theme, “**Grow With Us,**” the event will bring together families, nature lovers, conservation supporters, and local businesses for a day of environmental education, restoration awareness, and community connection.

Guests can enjoy a variety of interactive and family-friendly activities, including:

-  **Land Restoration & Conservation Education**
-  **Botanist Class & Native Plant Learning Sessions**
-  **Nature-Inspired Art Class**
-  **Grounding & Wellness Experiences**
-  **Dog-Friendly Pet Park Activities & Demonstrations**
-  **Free Giveaways & Raffles**
-  **Line Dancing & Community Contests**
-  **Food for Sale & Free Lunch for Kids**

The Preserve’s dog-friendly activities will allow pet owners to bring their four-legged companions for special pet-centered experiences, community engagement, and outdoor fun in a natural setting.

The Earth Day event highlights the Preserve’s ongoing mission to restore native ecosystems, promote longleaf pine restoration, provide internships and volunteer opportunities, and create educational programs that connect people to the land.

“This event is about more than celebration,” said representatives of The Jenkins Family Nature Preserve. “It’s about community stewardship, restoring our natural environment, and inspiring future generations to protect what we grow.”

The event is open to the public. Families, volunteers, sponsors, and community partners are encouraged to attend and participate in this impactful Earth Day gathering.
